Dear Families,

It is difficult to believe that three weeks of the school year is almost over! It has been a most productive time with some positive changes to make Wallaroo PS even better.

I was overwhelmed with the outstanding attendance at Acquaintance Evening. It is encouraging to witness the interest of families in the education of their children. We know that when families work in partnership with the school, then children's learning thrives. Many thanks to the Governing Council for cooking and serving the food on this very hot evening.

The election process for school captains and SRC members has occurred. I extend my sincere congratulations to the children elected into the SRC. The effort they placed into preparing for the election process is to be commended. Speeches were overall well prepared, and confidently presented. I thank Mr Damian McCarthy for leading this process and staff and families for encouraging and supporting children to prepare for this event.

The Induction Ceremony will be held on Friday 3rd March at 10.00am. A morning tea will follow in the Errington Room for families of children in the SRC.

We love the enthusiasm of children wanting to get to school early. Please be mindful that children should not be on the school grounds before the 8.30am bell. Staff are not on duty before this time and therefore it becomes a duty of care issue.

I look forward to catching up with you next Friday at the assembly if you are able to make it.

Warmest regards,

Julie
