School Improvement Plan Summary

Wallaroo Primary School

Goals	Targets	Challenge of Practice	Success Criteria
To increase the number of students achieving in the Higher Bands of Maths.	2022: 44% of year 3 students (3 out of 8) to achieve in the Higher Bands in NAPLAN Reading 40% of year 5 students (4 out of 10) to achieve in the Higher Bands in NAPLAN Reading 2023:	If we prioritise consistent, daily timetabled mathematical structures that integrate high impact numeracy strategies including the Big Ideas in Number, then we will retain and increase the number of students achieving in the Higher Bands of Maths.	All students will be able to identify and articulate the learning intentions and success criteria within lessons and provide evidence of learning. A detailed outline of this is available from the school.
	2024:		
To increase the number of students achieving in the Higher Bands of Maths.	2022: 55% of year 3 students (4 out of 8) to achieve in the Higher Bands in NAPLAN Numeracy 30% of year 5 students (3 out of 10) to achieve in the Higher Bands in NAPLAN Numeracy 2023:	If we prioritise consistent, daily timetabled mathematical structures that integrate high impact numeracy strategies including the Big Ideas in Number, then we will retain and increase the number of students achieving in the Higher Bands of Maths.	All students will be able to identify and articulate the learning intentions and success criteria within lessons and provide evidence of learning. Evaluation of evidence will be gained through student and staff annotations of work samples, pre and post-tests, observations and the monitoring of students on progression rubrics along with 1:1 learning conversations between students and their teachers and/or leaders.
